JOINT CERTIFICATION PROGRAM

Offered by

'IIT MADRAS' PRAVARTAK AND L&T EDUTECH

For Program Registration and Payment link, refer below list of Programs
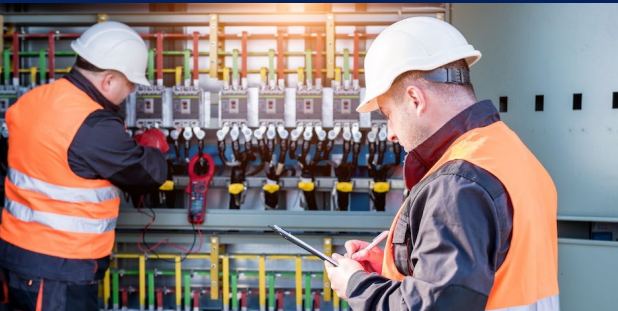

Civil / Horizontal Programs

- Sustainable Design of Buildings
- Heavy Lifting – Techniques & Machinery
- Geospatial Techniques in Practice
- Tunnelling and Deep Excavation
- Building Information Modeling

Electrical & Electronics / Electronics & Communication Programs

- Practitioner's Approach to Power System Protection and Switchgear
- Renewable Energy and Power Evacuation
- Integrated Engineering of Medium Voltage Substation
- Artificial Intelligence and Edge Computing
- Cyber Physical Systems for Industrial Applications

Mechanical Engineering Programs

- Ventilation & Air Conditioning System Design for Buildings
- Robotics and Digitalization in Manufacturing
- Power Plant Engineering – An Industrial Context
- Industrial Piping Engineering
- Design of Fire & Life Safety System for Buildings
